KDS ENTERPRISES

Leader in Precision Sheet Metal Fabrication since 1988

Some of Our Clients

CNC Laser Cutting Services: Laser Cutting machine -Amada is used to cut a wide range of materials including stainless steel, CR steel, aluminum and acrylic. We provide laser cutting service upto 5.0 mm Aluminum, 8mm SS, 16mm Mild Steel.

CNC Punching Services: Trumpf 3000-20 Ton CNC Punch Press performs flawless punching on Aluminum, Cold Rolled Steel & Stainless Steel, performing Cluster Punching, Large hole cutting, Extruding and Tapping, Wheel forming, Multi-bend etc operations simultaneously up to a thickness of 6mm.

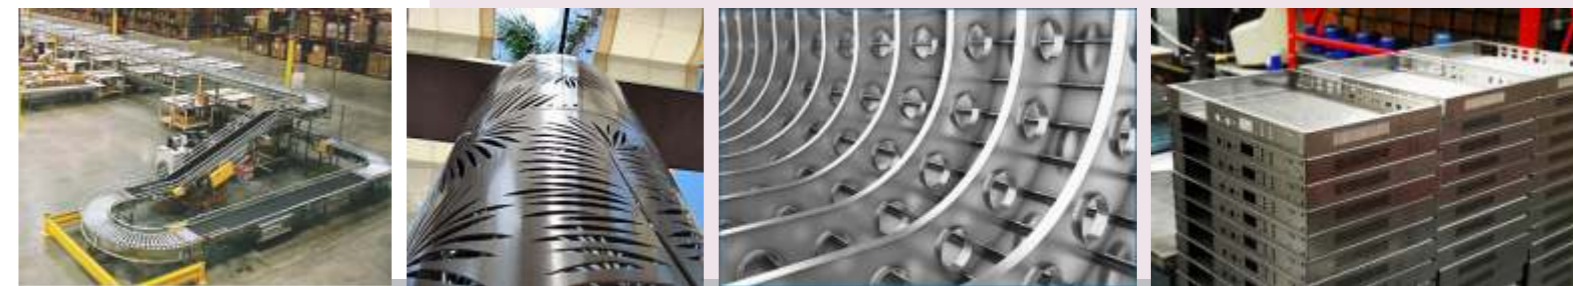

CNC Forming Services: CNC Press Brakes Trumpf 5-Axis 2mtr Length and Amada 3-Axis 3mtr allow us to handle a wide range of forming operations involving complex, tapered bends, multiple bends, curved bend sequences. We maximize our production efficiency by matching parts to appropriate press brake.

Power Press Services: Power Presses of various tonnages are suitable for sheet metal components for mass production.

Hardware Insertion Services: We perform hardware insertion operations on Haeger Machine for sheet metal parts to insert PEM nuts, Stand offs, Studs.

Finishing Services: Buffing, Deabering, and Polishing will be performed on Time Saver Machine and experts in the area including but not limited to Stainless Steel; Aluminum; Copper.

MIG, TIG & Spot Welding: We provide MIG, TIG and Spot Welding Services for demanding Electrical, Electronics, Defence, Railways as well as Medical applications. Our certified welders are experienced in offering welding solutions for precision metal parts manufactured from Cold Rolled Steel, Stainless Steel and Aluminum. .

Equipped with CNC Turret Punching, CNC Laser cutting & CNC Forming Machines

Our Infrastructure

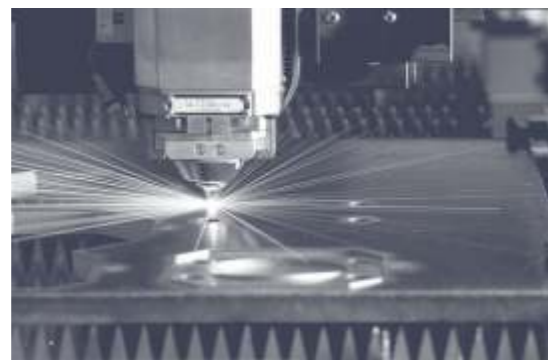

Manufacturing facility with more than 12000 Sft floor area

Our sheet metal fabrication equipped with:

Trumpf trupunch 3000 S11 Turret punching Machine

AMADA LCG Laser cutting Machine

Fastener fixing machine

Trumpf Trubend 5 axis Bending Machine

AMADA 3 Meter Bending

Roscamat Tapping

LVD 3 Meter Shearing

Pneumatic spot welding

Time saver - Buffing Machine

Storage racks

SS racks

Food Industrial equipment with Stainless Steel

Forma, Domestic & Commercial Furniture

Electrical Panels, communication racks & Sheet metal enclosures

Heat Transfer Coils

AHU Air Cooling, Dehumidifying & Runaround heat recovery coils

Packing Machine parts
